FOR IMMEDIATE RELEASE

**J.S.Walker & Company Builds Suite of Portals and Software Products for the Insurance Industry – Marketing provided by The Insurance Group, Inc.**

**Matthews, NC – January 1, 2008** – J.S.Walker & Company, Inc. (JSWCo), a provider of IT consulting services and custom software development, announces the availability of a suite of tools that it has developed for the insurance industry. These products are specifically designed to integrate and extend the industry-leading agent management system from GBS, Inc. ([www.gbsinc.com](http://www.gbsinc.com)). Sales and marketing are provided through The Insurance Group, Inc. ([www.theinsurancegroup.com](http://www.theinsurancegroup.com)), a firm with over 30 years of insurance industry and software experience.
