FOR IMMEDIATE RELEASE

J.S.Walker & Co. Opens a New Office in Raleigh NC

Matthews, NC – February 15, 2008 – J.S.Walker & Company, Inc. (JSWCo), a provider of IT consulting services and custom software development, announces the opening of an office in Raleigh, NC. Craig Jonkers, a 20-year IT professional with extensive business intelligence and system development experience, will lead JSWCo's move into the Triangle area. Initially, the office will concentrate on providing IT assessment and business analysis, with programming services provided from the company's Winston-Salem and Charlotte offices.

According to Mr. Jonkers, "The Raleigh area is in need of a company with Walker's dot Net experience, combined with its emphasis on working with clients to integrate their software development into the overall IT and strategic business planning process. I'm excited to be part of the JSWCo team."

About J.S.Walker & Company

J.S.Walker & Co. (JSWCo) is an information technology solutions firm, founded in 1988, with offices in Matthews, NC (outside Charlotte), Winston-Salem, and Raleigh. JSWCo provides high-quality, results-oriented consulting, custom application development, and Microsoft product integration. With expertise in key technologies, JSWCo assists our clients with solutions that are thoughtfully designed and skillfully implemented. The company is a Microsoft Certified Solution Provider and has extensive experience using the Microsoft "dot NET" framework. JSWCo also offers integration services for Microsoft products including Sharepoint and Dynamics CRM. Visit www.jswcoinc.com
